

English Bards and Scotch Reviews: A Satire

At a time when the Romantic movement was sweeping the European continent in the early 19th century, among musicians, writers and playwrights, perhaps nobody embodied and personified the Romantic movement quite like Lord Byron, the famous English poet whose life and works are both the stuff of legend. In addition to being celebrated for poems like *She Walks in Beauty*, *When We Two Parted*, and *So, well go no more a roving*, Byron was also notorious for living in excess, racking up debts and liaisons at increasingly reckless speeds. Despite his fame and abilities, he eventually exiled himself, ultimately traveling to fight in the Greek War of Independence against the Ottoman Turks. Lord Byron would fall ill and die during the war at the young age of 36, but the Greeks consider him a national hero, and people have been reading his material and talking about his life ever since.

English Bards and Scotch Reviewers has 27 ratings and 3 reviews. Ryan said: What a satire. After publishing his first poetry collection *Hours of Idleness* it is reported that this little volume is the vengeful retort of Lord Byron on the severity of the Edinburgh Review, in their critique of his Poems but, besides that we think the Satire is written with more talent than Lord Byron possesses, many more persons than Scotch Reviewers, and even than English Bards, come to the fore. *English Bards, and Scotch Reviewers* LORD BYRON. I had rather be a kitten and cry, mew! Than one of these same. A satirical poem by Byron in heroic couplets, published 1809.
