

Heart of Darkness

Loosely based on an experience in Joseph Conrad's life, this short novel tells the story of one man's journey into darkest Africa--and the darkness of the human heart. Both thoughtful and compelling, *The Heart of Darkness* takes measure of the thin line between civilization and barbarity. Virginia Woolf wrote of Conrad, "His books are full of moments of vision. They light up a whole character in a flash... He could not write badly, one feels, to save his life."

Joseph Conrad's *Heart of Darkness* retells the story of Marlow's job as an ivory transporter down the Congo. Through his journey, Marlow develops an intense journey to find an ivory trader gone rogue in Congo. Read Common Sense Media's *Heart of Darkness* review, age rating, and parents guide.
