

Operation Easy Street (Jock Miles WW2 Adventure Series Book 3)

Port Moresby was bad. Buna was worse. The WW2 alternative history adventure of Jock Miles continues as MacArthur orders American and Australian forces to seize Buna in Papua New Guinea. Once again, the Allied high command underestimates the Japanese defenders, plunging Jock and his men into a battle they're not equipped to win. Worse, jungle diseases, treacherous terrain, and the tactical fantasies of deluded generals become adversaries every bit as deadly as the Japanese. Sick, exhausted, and outgunned, Jock's battalion is ordered to spearhead an amphibious assault against the well-entrenched enemy. It's a suicide mission but with ingenious help from an unexpected source, there might be a way to avoid the certain slaughter and take Buna. For Jock, though, victory comes at a dreadful price. Jock Miles WW2 adventures continue in Grasso's Operation Blind Spot.

Editorial Reviews. About the Author. William Peter Grasso's novels explore the concept 3. Operation Easy Street (Jock Miles WW2 Adventure Series) (Volume 3) by William Peter Grasso.
