The Moonstone (1868) by Wilkie Collins is a 19th-century British epistolary novel, generally considered the first detective novel in the English language. The story was originally serialised in Charles Dickens magazine All the Year Round. The Moonstone is considered among Wilkie Collins best novels. Besides creating many of the ground rules of the detective novel, The Moonstone also reflected Collins enlightened social attitudes in his treatment of the servants in the novel. Collins adapted The Moonstone for the stage in 1877, but the production was performed for only two months.

These two are, of course, The Woman in White (1860) and The Moonstone given not only a beautifully printed and error-free annotated text of the novel, but widely regarded as the precursor of the modern mystery and suspense novels, The Moonstone tells of the events surrounding the disappearance of a The Moonstone Annotated: Special Edition (WC Book 4) - Kindle edition by Wilkie Collins, Pradip Das.
