

# Three Men in a Boat & Three Men on the Bummel

Two comic masterpieces in one edition. Jerome K. Jerome's *Three Men in a Boat* is written in the English comic tradition with just a touch of mild satire. Martyrs to hypochondria and general seediness, J. and his friends George and Harris decide that a jaunt up the Thames would suit them to a T. But when they set off, they can hardly predict the troubles that lie ahead with tow-ropes, unreliable weather forecasts and tins of pineapple chunks - not to mention the devastation left in the wake of J.'s small fox-terrier Montmorency. In this sequel to Jerome K. Jerome's most famous work *Three Men in a Boat (To Say Nothing of the Dog)* we have a reunion of the three companions from the first book, minus the dog, who are setting out on a bicycle tour through the Black Forest of Germany. Written near the end of the Victorian bicycle craze in which bicycles became a common fixture amongst the middle-class for recreational purposes, *Three Men on the Bummel* is a masterfully humorous depiction of the era. With numerous comic mishaps Jerome crafts a travelogue in which fans of the first book will find an entertaining and funny addition to the story of these three interesting characters.
